QUALITY DESIGN AND CONSTRUCTION:

KeepSafe wall calendars are designed and printed 4-color process throughout for maximum visual appeal and effectiveness. KeepSafe utilizes high quality, coated paper stocks for printing (80# coated white cover stock for the cover and 80# coated white text stock for the inside pages of the calendar). Binding: Saddle Stitched.

PRINTING and PRODUCTION:

- Quantities less than 500 calendars will be printed digitally.
- Quantities 500 or greater will be commercial offset printed.
- Normal Turnaround: Please allow 4-6 weeks for delivery.
- Color proofs are provided for review and approval prior to printing.

SAFETY POSTER CONTEST FORMS!

A Safety Poster Contest Template (In Microsoft Word) is available by email upon request. The template provides basic rules for a poster contest, provides space for the contestant to register for the contest, and provides a space for drawing a poster that is oriented to fit onto the calendar. Customers can print and distribute their own contest forms, or KeepSafe can print them for the customer for an additional charge. Pricing will depend on quantity. To request the template or to get pricing on printing your contest entry forms, call toll free: 1-888-300-7800.

KeepSafe®

Custom 12 Month Calendar

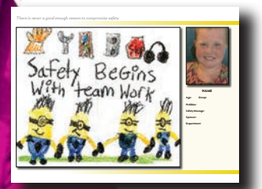

KeepSafe's custom promotional calendar program is designed to make it easy and affordable for customers to create and purchase a promotional calendar that meets their company's specific needs and objectives.

To minimize production time and to lower the customer's cost for the calendar, KeepSafe offers (3) basic calendar designs from which customers may choose (1) of the designs to be used as the basic design for their custom calendar. The basic calendar design allows the incorporation of (1) Picture and (1) Caption per calendar page without paying any additional cost. Additional pictures and information can be added to the calendar by selecting and purchasing optional features which are available as "add-ons". Each of the basic layouts is designed to incorporate all of the optional features that are available.
